The screenshot displays the City of Murray Cemetery Viewer interface. At the top, there is a blue header bar with the City of Murray logo and the text "City of Murray | City Cemetery Viewer". On the right side of the header, there is a "Map Layers" icon and a link to "Instructions". Below the header, there are two search bars: "Name Search" and "Plot ID Search". The main area of the interface is a map showing a cemetery layout with numerous yellow rectangular plots. Overlaid on the map is a "Map Layers" panel on the left side. This panel has a blue header with the text "Map Layers" and a collapse/expand icon. Below the header, there is a list of layers with checkboxes and icons. The layers are: Cemetery Data (checked), Graves (checked), Veteran Graves (checked), Plots (checked), Mausoleum (checked), Cemetery Roads (checked), Cemetery Sections (unchecked), and KY 3" Imagery 2024 (checked). To the right of the map, there is a "Legend" icon and an "Ellipses" icon. Red arrows point from text boxes to various UI elements: "Click the Chevrons to expand or collapse the 'Map Layers' window." points to the collapse/expand icon in the Map Layers panel; "Click the 'x' to close 'Map Layers'" points to the close icon in the Map Layers panel; "After clicking the 'Map Layers' icon the Table of Contents will appear" points to the Map Layers icon in the top right; "Click the 'Map Layers' icon to expand the layers" points to the Map Layers icon in the top right; "Click Checkbox icon to turn a layer on or off" points to the checkbox for the "Graves" layer; "Click 'Legend' icon to view the layer symbol" points to the Legend icon; and "Click 'Ellipses' icon to view more layer options" points to the Ellipses icon.
