

This notice is a reminder that if you own commercial or residential rental property within the city of Murray, then you should have a business license per city ordinance (Chapter 110, Sections 01-02). We would like to thank the property owners who have already purchased a business license for the current year, May 31, 2015 through May 31, 2016. Licenses for the next license year will be payable beginning April 1, 2016 and late after May 31st, 2016, when a late fee will become in effect. The current year late fee has been waived. Should you already have a business license for another business, you may be eligible for a secondary business license at a reduced rate if you are using the same tax ID for both businesses.

You may go to the following link www.murrayky.gov/forms and apply for the business license. The application may be submitted by email or faxed to (270) 762-0331. You may also fill out the application online and stop by City Hall to obtain the license. If you have any questions, you can contact the Planning Department at 270-762-0350 ext. 1130 or ext. 1127.
