

PUBLIC NOTICE

The City of Murray Water System will be flushing fire hydrants **Sunday, April 24, 2022**. Crews will begin flushing around 7:00am and will finish for the day around 3:30pm.

The Water System flushes the main lines to increase the water flow in order to clear the system of any sediment that may have built up.

In case of any discoloration, customers should allow their **cold** water to run for a few minutes to clear. However, the washing of clothes should wait until flushing is completed and the water has cleared.
